QKZ TRAINING CENTER

GRADE E SECURITY TRAINING

SAMPLE STUDY MATERIAL – ACADEMIC DEMONSTRATION
This document is a temporary sample created for website testing and academic submission. It is not official QKZ Training Center training material and should be replaced with the organisation's approved Grade E material before handover.

Introduction

This sample material demonstrates how Grade E security training information can be presented through the QKZ Training Center digital platform. It is intended for the academic demonstration of electronic study-material access.

Sample Training Topics

Topic	Sample focus
1. Introduction to Security	Basic concepts, responsibilities and the role of security personnel.
2. Access Control	Basic principles for controlling and monitoring access to premises.
3. Observation and Reporting	Observing security-related activities and recording information clearly.
4. Communication	Professional communication and basic reporting procedures.
5. Basic Safety Awareness	Awareness of safe practices while performing security duties.
6. Emergency Awareness	Basic awareness of appropriate responses to emergencies and incidents.
7. Professional Conduct	Professional behaviour, responsibility and respectful interaction.
8. Security Procedures	Following workplace procedures and instructions during security activities.

Study Guidance

Students should use the approved QKZ training material supplied by the training centre for actual training. This sample document is provided only to demonstrate electronic study-material functionality.
